

Home Configurations (Buildings)

Beaverdam Run homes are grouped into duplex buildings (2 units) and triplex buildings (3 units), each with a two-car garage and separate driveway.

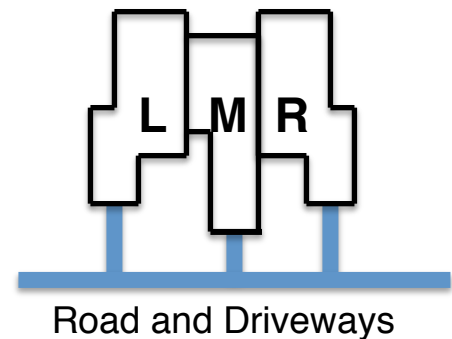

The middle unit of a triplex is smaller than its adjoining homes.

There are 62 duplexes and 4 triplexes available.

Duplex Buildings

Triplex Buildings

- L** Left unit plan
- M** Middle unit plan
- R** Right unit plan

The duplex floor plans found on this site are labeled **left unit** or **right unit** plans. Left and right unit plans are mirror images of each other (along the shared wall noted on the plan).
